ADDITIONAL INFO

PARKING OPTIONS/CARPOOL: For those seeking to carpool, please add this info to the [Meetup](#) event page for Aruba. Also, contact me directly if I can be of assistance. My parking suggestions would be to either use Uber, Lyft, [The Parking Spot](#), [DFW Airport parking](#) options, or parking at a nearby DFW hotel, which offer services through [Global Airport Parking](#), which offer rates as low as \$5/day. I have personally used Global Airport Parking's services, and enjoy the door to door pick-up. Make sure to read the fine print to verify available service times.

FLIGHT DETAILS:

- **Group Flight:** For those of you traveling on the AA group reservation, the flight's Record Locator and Ticketing Number is providing on the "Aruba Travel Details" form, which is uploaded on the GEM's website.

HELPFUL TIPS – AT A GLANCE: To learn more about Aruba's Communication/Wifi, Drinking Water, Electricity, Money & Currency, Transportation, and more, visit [General Facts about Aruba](#)

- Call your personal bank(s) and/or credit-card companies prior to departure to inform them of your impending travel plans to Aruba. This will ensure your bank/credit cards can be used while traveling.
- Add International Calling Plan option to your current phone service for dates of travel, if not already added. Specifically, make sure you have unlimited data and roaming options, as the Wi-Fi is very spotty.
- Make a copy of your passport and keep in your luggage, in case of lost/stolen original
- Aruba's water is safe to drink with highest standards of quality of the World Health Organization
- Aruba uses same voltage electricity outlet options as the US
- US Dollar is widely used, but I highly recommend using a credit card (Visa/MasterCard) for all purchases, as this form of payment is insured, and has a lower currency conversion
- Most local stores/flea market and some restaurants accept "Cash Only"
- Aruba is 2hrs ahead. For instance: 8am in Aruba (AST) is 6am in Dallas (CST)
- To call the US from Aruba, dial 001 followed by 10 digit number
- Download free VOIP mobile apps to use to make free international calls and texts over WiFi connection. (i.e. Viber, Skype, Tango, Google Hangouts etc.
